

Medical Cannabis: Fees

All patients with a qualifying condition must pay an annual registration fee in order to be eligible to purchase medical cannabis.

Clinic Fee

A non-refundable fee of \$250 is payable to the clinic upon registration for all patients who wish to apply for the medical cannabis program. (Unfortunately, insurance does not cover anything related to medical cannabis at this point.) This fee will not be collected until patient has been pre-screened.

Annual Registration Fee

State fee: The annual fee is \$200.

Reduced fee: Patients on Social Security Disability, Medical Assistance, CHAMPVA or Medicaid are eligible for the reduced fee of \$50. A copy of your Social Security Disability, CHAMPVA, Medical Assistance or Medicaid ID card must be provided during registration.

Payment: the registration fee is paid online via credit/debit card or check at the USBank website once you login to the Registry.

Cannabis Product Fee

In addition to the registration fee, there will be a fee for the medical cannabis you need, payable at the cannabis patient centers. No insurance companies in Minnesota currently cover medical cannabis treatment. Fees vary greatly among patients, but are averaging approximately \$200 per refill.
